DESIGN/BUILD: Lee Construction Management

LOCATION: Gary, Indiana (Lake County)

After demolishing the existing garage, LCM shored up this home dramatically, then added 785 square feet of living space (including a sun room, bedroom and master bath) above a 550-square-foot, two-car garage. Additionally, a 940-square-foot deck was built to wrap around the west, north and east sides of the structure and house a built-in sunken hot tub.
