LOCATION: Gary, Indiana (Lake County)

To avid sportsmen and women, the only thing more enticing than a game of pick-up ball or playing a few sets of tennis is doing those things on a vibrantly color-coded court. LCM has done everything from re-habbing existing courts to creating new ones from the ground up. It's always a slam dunk when our team of experts designs a game field -- whether it's a sole basketball court or a "full-service" park with play areas for tennis, basketball, baseball and more.
