

CITY PARK PLAYGROUNDS

PROJECT MANAGER:

Lee Construction Management

LOCATION: Gary, Indiana (Lake County)

Whether it's refurbishing an existing play station or building a recreational area from scratch, installing playground equipment, water-featured parks or outdoor game tables, LCM has done it all. From converting miniscule vacant lots into playgrounds to taking a neglected neighborhood square and turning it into a mini-tour of U.S. landmarks, we've been presented with -- and met -- a host of public works challenges.
