PROJECT MANAGER:

Lee Construction Management

LOCATION: Joliet, Illinois (Will County)

As a rule, elegant bamboo flooring, posh bedroom suites, and fire engine red kitchen cabinets aren't commonly associated with the area where most people park their cars or tinker on a workbench.

All rules are broken at the 4,500-sq.-ft. multi-car GSD garage. Designed as a fun-filled weekend racing getaway for the owners and their families, this luxurious structure features three plasma TVs, custom tire racks and tool storage, and integrated wiring throughout the building. That means all audio, video, communications systems, security and HVAC are easily accessible from a single key-pad in each room.
